Why do you support DRIVE?

Toby Gaipa
Horizon Lines

"The steamship lines and manufacturers spend millions to protect their interests at the Port of Oakland. We have to give to DRIVE to insure that our issues are represented."

Art Balance

"It is important that we are able to contribute to candidates that support labor issues. Collectively through DRIVE, we can achieve this goal."

Marquel Pea
UPS

"The union has to participate in the political process and that means registering to vote and donating to DRIVE so collectively our voices will be heard."

Kelsey Frazier
Horizon Lines

"As in all things, I want the Teamsters to be #1 and if that means donating a few dollars every week, I am more than happy to do it."

Ron Carlson
YRC Hayward

"I have been giving to DRIVE for over 20 years. It is part of being a good and active member."

Andres Beltran
YRC Oakland

"DRIVE is an integral part of the power we have in Sacramento and Washington, D.C."
