## TEAMSTERS LOCAL 70 TERMINAL ASSIGNMENTS

**Effective: 1/1/2011**

The full-time Officers and Officials still have work assignments, as do the Business Agents. In an effort to blend in the new with the experienced, Secretary-Treasurer has assigned Business Agent Felix Martinez to UPS to assist him. Felix has also been assigned UPS Freight, UPS Carthage and Waste Management. The purpose of this change is to minimize expenses with two agents covering all of the UPS companies instead of three; this change minimizes cost and broadens negotiating experience with negotiations coming up in 2012. Experienced Business Agent and current President Dominic Chiovare will work with Felix to handle Waste Management.

## Local 70 Election Results

On November 6, Local 70 held nominations for officers and officials. The following were nominated with no opposition and therefore were elected on a "white ballot."

<b>Secretary Treasurer</b>	"Marty" Frates	White Ballot
<b>President</b>	Dominic Chiovare	White Ballot
<b>Vice President</b>	Milton Lewis	White Ballot
<b>Recording Secretary</b>	Rob Dias	White Ballot

Because more people were nominated for the positions of Trustee and Business Agent than the three positions available for each office, an election was held in December. The Unilect Corporation managed the election process and tallied the winners as follows:

Ballots cast		1,069
<b>Trustees (Vote for 3)</b>		
Kelsey Frazier	16.99%	545
Mark Hawkins	16.81%	539
Rich Fierro	11.72%	376
Larry Aiello	11.44%	367
Tim Mosier	10.38%	333
Larry Dias	10.13%	325
Bob Martinez	6.95%	223
Overvotes	.47%	15
Undervotes	15.09%	484
<b>TOTAL</b>	<b>100%</b>	<b>3,207</b>
<b>Business Agents (Vote for 3)</b>		
Felix Martinez	25.01%	802
Lou Marchetti	22.70%	728
Bob Aiello	17.18%	551
"Jerry" McCoy	12.13%	389
Overvotes	.19%	6
Undervotes	22.79%	731
<b>TOTAL</b>	<b>100%</b>	<b>3,207</b>

The top three vote-getters in each category, as well as the officers elected by white ballot will all serve three year terms, starting in January, 2011.

The Election Committee, consisting of Chairperson Nancy Goodrich-King, Lon Ward, Gabe Jimenez and Ken Peluso, did an outstanding job under very difficult conditions. Their hard work was greatly appreciated.

## President's Report

### New team takes on big challenges

As Local 70's newly elected President, I look forward to working with the incumbent and newly elected Officers and Officials of our local.

2011 will be a big year for us, new faces, new challenges. Incumbent Executive Board members Milton Lewis and Rob Dias will be joined by our three newly-elected Trustees, Kelsey Frazier, Mark Hawkins, and Rich Fierro. Incumbent Business Agents Lou Marchetti and Bob Aiello will continue their commitment to maintain the high level of service for our members at the numerous companies they are assigned. Joining the Business Agent team is newly-elected Business Agent Felix Martinez. Marty Frates and I will continue to service terminals in addition to performing our duties as Secretary Treasurer and President.

Some of Local 70's challenges for this year are the renewal and completion of the collective bargaining agreements in the paper industry—Spicer and xpedx; the solid-waste/recycling industry—ACI, AVI, PGS, CWS and Tri-Ced; the airline industry—US Airways; and the bus industry—MV Transportation.

Our new Trustee, Rich Fierro, is already hard at work updating the Local 70 website as well as making it more user-friendly. You can now download the 2011 general membership schedule and phone numbers for all officers and officials. Members can download almost all needed forms and information. Rich is open for suggestions to improve our website; e-mail him at:

## Political Action Report by RICH FIERRO

### California bucks anti-union trends with Teamster help

Thanks to the participation of union members, California was able to buck the national trend of electing less labor-friendly representatives. On the federal level, we returned Barbara Boxer to the Senate and Jerry McNerney to the House of Representatives in very competitive races. Statewide, 80% of Teamster-backed candidates were elected. Of course, this includes electing Jerry Brown as Governor over Meg Whitman and the \$160 million dollars of her own money that she spent trying to buy the election.

Locally, we were successful in helping elect Nadia Lockyer to the Alameda County Board of Supervisors and Libby Schaaf to the Oakland City Council. Libby proudly proclaims the Teamsters as her first labor endorsement.

All of this would not have been possible if not for all the participation of so many of our members in voter registration, DRIVE, and volunteering. Felix Martinez and

Governor Jerry Brown

U.S. Senator Barbara Boxer

Alameda County Supervisor Nadia Lockyer

Oakland City Council member Libby Schaaf

Milton Lewis spent the month of October putting out lawn signs and signing up more than 500 members for DRIVE. The Joint Council purchased 14 laptops for use at Local 70 as phone bank headquarters. With these laptops, officers, officials, and volunteers made more than 10,000 phone calls to Teamsters across the state!

The year ahead will be very challenging. The new Republican majority in the House Of Representatives will do everything they can to promote a big businesses agenda. Statewide, we must hold accountable politicians who seek to balance the budget on the backs of labor. Locally, we will be focused on Oakland as

there are many important issues that affect us, including the Port Of Oakland organizing campaign, the redevelopment of the Oakland Army Base, and the upcoming Waste Management franchise agreement.

We will continue to call on our members to get involved in all of these campaigns.

## The people

### Members at Pepsi ratify new contract

Business Agent Lou Marchetti along with Secretary Treasurer Marty Frates and B.A. Felix Martinez conducted the Pepsi contract ratification meeting at Local 70 and the members ratified their contract by a large margin. Some key provisions in the new contract included the elimination of the attendance policy and some improvements in health and welfare. Lou Marchetti and Local 70 appreciates all the hard work put in by the negotiating committee.

Pictured above: The ratification meeting.

### Long-time members retire

Don Sims retires from Waste Management after 43 years of service. He started out in residential pick-up, moved to the drop box division and ended his career dispatching in drop box. Don was not only an outstanding employee but he was a strong union member who served as a shop steward. He always looked out for the interests of his coworkers. Don is looking forward to his retirement, as he has many projects to complete. The union and his fellow workers at Waste Management will miss him. Sam Drago Retires from Waste Management after 40 years of service. Sam was an active member and Shop Steward during his career and he will be missed. "He is a quality person. They just don't make them like him anymore," said Secretary-Treasurer Marty Frates. *(Pictured from left: Dominic Chiovare, Milton Lewis Sam Drago, Marty Frates, Felix Martinez.)*

**Secretary-Treasurer's Report**

*Marty Frates*

**When the members speak, we listen**

The members have spoken. They want a unified local union, which we now have. I want to thank the membership for the white ballot they gave me. I look forward to the many challenges facing organized labor and will put forth my best effort to earn your trust and support.

We are off to a great start and it's going to be a pleasure working together doing positive things. I look forward to working with new President Dominic Chiovare. Vice President Milton Lewis and Recording-Secretary Rob Dias also received a white ballot and they both have done a great job providing outstanding service to the members being politically active.

In the Business Agent race, Felix Martinez came in first followed by Lou Marchetti and Bob Aiello. The Trustee's race was where the action was. The membership decided to go in a new direction by electing, Kelsey Fraizer, Mark Hawkins, and Rich Fierro. It is my pleasure to welcome these three new energetic Trustees who are off to a running start dealing with the challenges we face. I am truly satisfied with the decision of the members via the democratic election process. We now have a team looking towards the future and ready to work hard for positive results.

**Gone but not forgotten**

*The Local 70 building on 70 Hegenberger Rd. was recently demolished to make room for a new BART station. In 2009, we had moved to a new location on 400 Roland Way in Oakland, where we can continue the rich and proud traditions of Local 70.*

**Local 70 IBT Convention Delegates Elected**

On January 3, 2011, Local 70 held its nominations meeting for delegates to the 2011 International Brotherhood of Teamsters convention. Local 70 is entitled to five delegates and five alternate delegates.

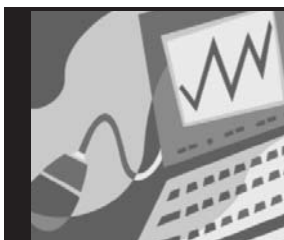

The meeting was chaired by long-time member and former Trustee on the Executive Board, Emil Radloff. The Recording Secretary was John Bromstead. There was no opposition, therefore those nominated were elected to serve as delegates and alternates. The officers and officials appreciate the confidence given them by the membership and will look out for their interests at the convention. The results are as follows:

**Delegates:**

- Secretary Treasurer "Marty" Frates
- President Dominic Chiovare
- Vice President Milton Lewis
- Recording Secretary Rob Dias
- Business Agent Felix Martinez

**Alternate Delegates:**

- Trustee Kelsey Frazier
- Trustee Mark Hawkins
- Trustee Rich Fierro
- Business Agent Lou Marchetti
- Business Agent Bob Aiello
