

LABOR CODE REGARDING TIME OFF FOR SCHOOL ACTIVITIES

230.8. (a) (1) No employer who employs 25 or more employees working at the same location shall discharge or in any way discriminate against an employee who is a parent, guardian, or grandparent having custody, of one or more children in kindergarten or grades 1 to 12, inclusive, or attending a licensed child day care facility, for taking off up to 40 hours each year, not exceeding eight hours in any calendar month of the year, to participate in activities of the school or licensed child day care facility of any of his or her children, if the employee, prior to taking the time off, gives reasonable notice to the employer of the planned absence of the employee.

(2) If both parents of a child are employed by the same employer at the same worksite, the entitlement under paragraph (1) of a planned absence as to that child applies, at any one time, only to the parent who first gives notice to the employer, such that the other parent may take a planned absence simultaneously as to that same child under the conditions described in paragraph (1) only if he or she obtains the employer's approval for the requested time off.

(b) (1) The employee shall utilize existing vacation, personal leave, or compensatory time off for purposes of the planned absence authorized by this section, unless otherwise provided by a collective bargaining agreement entered into before January 1, 1995, and in effect on that date. An employee also may utilize time off without pay for this purpose, to the extent made available by his or her employer. The entitlement of any employee under this section shall not be diminished by any collective bargaining agreement term or condition that is agreed to on or after January 1, 1995.

(2) Notwithstanding paragraph (1), in the event that all permanent, full-time employees of an employer are accorded vacation during the same period of time in the calendar year, an employee of that employer may not utilize that accrued vacation benefit at any other time for purposes of the planned absence authorized by this section.

(c) The employee, if requested by the employer, shall provide documentation from the school or licensed child day care facility as proof that he or she participated in school or licensed child day care facility activities on a specific date and at a particular time. For purposes of this subdivision, "documentation" means whatever written verification of parental participation the school or licensed child day care facility deems appropriate and reasonable.

(d) Any employee who is discharged, threatened with discharge, demoted, suspended, or in any other manner discriminated against in terms and conditions of employment by his or her employer because the employee has taken time off to participate in school or licensed child day care facility activities as described in this section shall be entitled to reinstatement and reimbursement for lost wages and work benefits caused by the acts of the employer. Any employer who willfully refuses to rehire, promote, or otherwise restore an employee or former employee who has been determined to be eligible for rehiring or promotion by a grievance procedure, arbitration, or hearing authorized by law shall be subject to a civil penalty in an amount equal to three times the amount of the employee's lost wages and work benefits.
